

## **Prometheus Energy Named Finalist in the 2014 Midcontinent and Southwest Oil & Gas Awards**

Houston, TX, - September 5, 2014 – Prometheus Energy is recognized as a finalist in both the 2014 Midcontinent and Southwest Oil & Gas Awards, an industry initiative to recognize organizations that are leaders in their fields. Judged by over 110 senior executives from Midstream and E&P companies, the Midcontinent and Southwest Oil & Gas Awards saw over 140 companies participate across multiple categories. The Awards champion companies that display best practice in the key areas of operational excellence, environmental stewardship, corporate social responsibility and excellence in health & safety.

The Awards partner with over 30 media partners making them the most visible form of recognition in the industry. The Oil & Gas Awards take place regionally throughout North America in the Gulf Coast, Midcontinent, Northeast, Rocky Mountain, Southwest and West Coast.

Winners of the Southwest Oil & Gas Awards will be announced at the Oil & Gas Awards Gala Dinner in Dallas on October 23, 2014, and winners of the Midcontinent Oil & Gas Awards will be announced at the Oil & Gas Awards Gala Dinner in Oklahoma City on October 29, 2014. There will also be a Midcontinent and Southwest Industry Summit held for participating companies and organizations that have an interest in the region.

For further information on the Industry Summit and Awards Dinner please contact the organizers at [info@oilandgasawards.com](mailto:info@oilandgasawards.com) or call 210-591-8471.

### **About Prometheus Energy**

Prometheus Energy is one of the largest and fastest growing suppliers of liquefied natural gas (LNG) to the industrial sector in North America. Prometheus provides turnkey fuel solutions to convert industrial users of diesel, propane and other crude-derived fuels to clean, domestic, secure LNG, resulting in reduced fuel cost and environmental footprint. The company is vertically integrated from LNG production through logistics, distribution, onsite equipment and field support. A pioneer in the industrial LNG market, Prometheus is recognized for its industry leadership. Prometheus Energy is privately held by Shell Technology Ventures Fund 1 B.V. and Black River Asset Management LLC, a wholly owned but independently managed subsidiary of Cargill. For more information and to calculate fuel savings associated with LNG, please visit:
